RENT OF QUARTERS OCCUPIED BY THE LADY DOCTOR OF THE GOSHA HOSPITAL.

Sir,

With reference to your endorsement No.10155/247-1919 dated 23-11-1926 forwarding for my remarks the proposal of the Residency Surgeon to sanction the rent-free occupation of a Municipal building by Doctor. Miss. M.E. McMurray of the Gosha Hospital, the Municipal Commission being paid a rent of Rs.50/- per mensem from 21-11-1925, the date of the Doctor's occupation, or in the alternative, to purchase the building from the Municipality for the rent-free occupation of the Lady Doctor, I have the honour to enclose a copy of the reply received from the President of the Municipal Commission to my reference to him No.P.B.15-8624, dated 22-12-1926 (Vide my endorsement to your address No.P.B.15-8624 A), and to state as follows.

2. It appears from the President's letter now received that there is no agreement between Government and the Municipal Commission regarding the payment of the rent of Rs.50/- and the Municipal Commissioners allowed the Lady Doctor to occupy the quarters at the request of Col. Standage. The building with the land is valued by the Municipal Commissioners at Rs.15,000/- and improvements costing Rs.2,476/- have been effected from the Gosha Hospital funds.

(a) If the building is to be leased to the Municipality for Rs.60/- per mensem, the sanction of the Government of India would be necessary under Public Works Department Code para 322 I(ii), as the doctor's pay exceeds Rs.100/- per mensem and as the rent payable by Government exceeds 10% of the pay of the doctor. It will be noticed that the present arrangement should not have been come to without the previous sanction of the Government of India, and that the bill presented by the Municipal Commission cannot be paid unless specially sanctioned by the Government of India.

(b) In case the quarters are to be purchased from the Municipal Commission, the cost that Government would have to pay is Rs. 15,000/-(Rs.11,000/- for the building & Rs.4,000/- for the land), although the quarters, with the improvements, are ~~worked~~ worth Rs. 17,476/-; and as the powers of the Hon'ble the Resident are limited to a maximum of Rs.10,000/- under Public Works Department Code para 431(1)A, the sanction of the Government of India would be required for the purchase.

4. As regards the rent-free occupation, the order quoted by the Surgeon may serve as an analogy but cannot, I think, apply to residences in Bangalore without specific orders of the Government of India. Kindly see Public Works Department Code para 325 Rule III(a) & Rule VII. General exemptions are given only to Police & Educational officers under Rules V & VI of the same paragraph.

QUARTERS OCCUPIED BY THE LADY DOCTOR - HAJEE SIR ISMAIL SAIT GOSHA HOSPITAL - PAYMENT OF RENT.

With reference to your letter No.P.B.15-5624 dated the 22nd December 1926, I have the honour to state as follows:-

1) The total outlay spent on the building from Government funds is not available in this office as the building was included in the purchase of the Cubbon Lines from the - Military Department. The Commission fixed a rent of Rs. 50/- when it was let out to the Military for occupation upt the 16th February 1925 and the same rent was decided by the President to be charged for the occupation of the Lady - Doctor. The building and the land on which it stands is estimated by the Commission to be worth Rs.15,000/-(i.e., Rs.11,000/- building and Rs,4,000/- land). It is under contemplation to sell it to the Hospital at this price. Improvements to the building, extension of water supply, electric lights &c., were carried out at a cost of Rs.2,476, and paid from the donation received from Hajee Sir Ismail Sait for the construction of the Gosha Hospital under the control of the Residency Surgeon.

2) The improvements referred to were going on and until they were completed and paid for the question of the rent was held up.

3) Col. Standage the then Residency Surgeon asked for the building for the Lady Doctor.

Rent of quarters occupied by the Lady Doctor of the Goshe Hospital, Civil & Military Station of Bangalore.

Sir,

I have the honour to refer to the correspondence ending with your Memorandum No.5(5)-A, dated the 12th January 1927, and to state that the President, Municipal Commission, Civil and Military Station, Bangalore., has claimed from the Residency Surgeon rent at Rs.50/- per mensem from the 21st November 1925 for the quarters occupied by the Lady Doctor of the Goshe Hospital. The Residency Surgeon invites a reference to the Madras G.O.No.1764, dated the 30th June 1891, and enclosed, says that the Lady Doctor should be treated as Superintendent Lying-in-Hospital, Madras. He has applied for sanction to meet the rent at Rs.50/- per mensem from the 21st November 1925 to the 30th September 1926 and all future bills by re-appropriation of funds from other items under 32 Medical of the Assigned Tract budget estimates.

2. I consulted the Pay and Accounts Officer, Bangalore, and enclose a copy of his letter Ref.No.P.B.15-9065, dated the 18/19th January 1927, and its enclosure. I request that the Government of India will be pleased to sanction the proposal to the payment of the rent.
